The Stewards, having received a report from the Team Relations Manager, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 34 -**Competitor:** Walkenhorst Motorsport (Trinity Solutions GmbH)**Time:** 13:00**Session:** N/A**Fact:** The Team sold used tyres in the paddock**Offence:** Breach of Article 14.2 of the GT World Challenge Europe powered by AWS 2025 Sporting Regulations**Decision:** 2000 € Fine, suspended subject to confirmation from Pirelli of good reception of all the used tyres from the team.

Reason: As confirmed by photo evidence, Walkenhorst Motorsport had the old tyres for sale in the paddock. The Team Manager admitted the fact, stating that was a mistake by a crew member and adding that as soon as the team management realized the situation they immediately interrupted this selling process and they were able to retook the sold tyres. This fact was considered both by the Stewards and the Team Manager as a clear breach of the regulations. Considering that this was a first similar offence and that allegedly all the tyres were recovered, the Stewards decide to apply a suspended fine, subject to official confirmation from Pirelli that all the used tyres from the team were returned. If it is not confirmed, the fine will be effective.

The competitor is reminded that fines must be paid to:
