The Stewards, having received a report from the Technical Delegate, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 63 -**Competitor:** GRT - Grasser Racing Team**Time:** 10:25**Session:** Qualifying 3**Fact:** Car #63 swap one tire from S1 and S2**Offence:** Alleged breach of Article 123.1 of the GT World Challenge Europe powered by AWS 2025 Sporting Regulations**Decision:** No Further Action. The Tires used as S1 and S2 during Qualifying must be kept like this for the Race.

Reason: Car #63 had the front right tire of set 2 in set 1 and the front right tire of set 1 in set 2.
According to the team manager this was due to a mistake from Pirelli. The Stewards heard from the Pirelli representative that admitted the mistake in the tire mounting process.
Taking this into consideration, the Stewards agree that no fault can be imputed to the competitor and decide to take no further action and that the tires used as set 1 and set 2 in Qualifying must be kept like this for the Race.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
