

DECISION No: 04

From: The Stewards Date: 30th September 2022
To: VSR Time: 15:55 hrs

The Stewards, having received a request from the Competitor, having summoned and heard from the the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 163 / Marcus Paverud, Baptiste Moulin & Andrea Cola

Competitor: VSR

Fact: The competitor has requested permission to use at this event two additional sets of carry over tyres from the Spa-Francorchamps event

Regulation: Article 29.8 of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations

Decision: **The competitor's request is denied. However, the competitor is authorised to use at this competition two sets of tyres carried over from Paid Test Sessions.**

Reason: The competitor reports that, due to a loading error, the team have brought two sets of carry over tyres from the Spa event (having already used their permitted two carry over sets from Spa at Hockenheim). The Stewards, having heard from the competitor's representative, note that neither of the proposed sets have covered any mileage and consider that this may give the competitor a competitive advantage. The request is therefore denied. However, noting that the competitor would otherwise not have any carry over tyres to use at this event, the Stewards exceptionally authorise the use of the following two sets of part-worn tyres which have been carried over from Paid Test Sessions:

1. Barcodes 5902292043 – 5901943451 – 5901794287 – 5901794170
2. Barcodes 5901838469 – 5902291899 – 5902252273 - 5902318963

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
