**From:** The Stewards **Date:** 1st October 2022  
**To:** AF Corse **Time:** 15:20 hrs

---

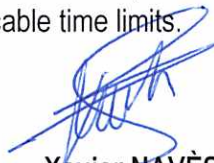

The Stewards, having received a report from the Race Director, having examined video evidence, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

**No.:** 21  
**Competitor:** AF Corse  
**Time (fact):** 14:40 hrs  
**Session:** Pre-Qualifying  
**Fact:** A mechanic was working on car 21 whilst refuelling was taking place  
**Offence:** Breach of Article 39.2 of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations  
**Decision:** **Fine of €1000 to the competitor**  
**Reason:** A mechanic was laying on his back working on the front right steering geometry whilst refuelling was taking place. Having heard from the competitor's representative and having viewed video evidence, it is accepted that this is a clear breach of the regulations. The Stewards note that no competitive advantage was gained but consider this to be a serious matter of safety and impose the fine above.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
