

DECISION No: 17

From: The Stewards **Date:** 1st October 2022
To: Winward Racing **Time:** 15:27 hrs

The Stewards, having received a report from the Race Director, having examined video evidence, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

No.: 57
Competitor: Winward Racing
Time (fact): 14:45 hrs
Session: Pre-Qualifying
Fact: Car 57 was refuelled in the pit lane using equipment other than the fuel rig
Offence: Breach of Article 37.1 of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations
Decision: **Fine of €500 to the competitor**
Reason: Car 57 was refuelled in the pit lane from a fuel churn during Pre-Qualifying. Having heard from the competitor's representative and having viewed video evidence, the competitor explained that this was due to a technical problem with the fuel rig, but it is accepted that this is a clear breach of the regulations. The Stewards note that no competitive advantage was gained but consider this to be a matter of safety and impose the fine above.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
