

STEWARDS
LOG NR 138

POSTED
at 22 h 23 m

From: The Technical Delegate

Report N° 05

To : The Stewards of the Meeting

After the SuperPole we have checked the following elements on all superpole cars (20)

- Bop Weight car
- Restrictor seals
- Aero
- Engine settings in general
- BOP Height
- Tyres
- And any other element that may deem necessary

The Cars comply with current homologation file and BOP decisions.

On cars # 92, # 20, # 88, # 4 we have checked the Splitter and Axle

The cars comply with the homologation passport GT3

Series Technical Delegate.
