Decision N° 263

Date: 02 July 2023  
Time: 17:23

The Stewards have received a Report that driver Adam Carroll of car #31 exceeded the permitted combined stint lengths as a Pro category car driver

**Driver and car No:** Tim Whale/Adam Carroll/Lewis Proctor #31

**Competitor:** Team WRT

**Time (fact):** 16.30hrs

**Session:** Race

**Fact:** Adam Carroll's combined stint length was 11 hours 2 minutes 30.513 seconds

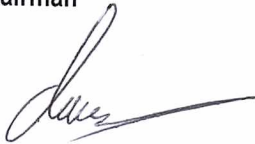

**Offence:** Article 20.3.2 of the Fanatec World Challenge Europe 2023 Sporting Regulations

**Decision:** No penalty

**Reason:** The Stewards have been advised by the Competitor that driver Tim Whale is unfit to meet the minimum driving time required for a Bronze driver in the Bronze category and, accordingly, determined the recategorization of this car (Decision 183 refers). The Stewards accept that the total of combined driving stints of the Adam Carroll exceeded the 11 hour maximum but this was subject to force majeure and make the Decision cited above.

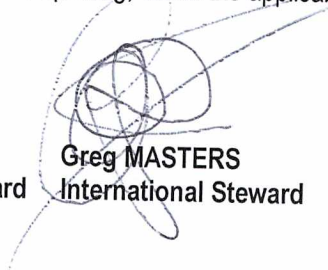

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting, within the applicable time limits.
