Date: 14 July 2023

Time: 18:25

The Stewards notify all competitors and officials:

#### Location of Parc Fermé:

Parc Fermé after all Qualifying sessions (inc Q1A and Q1B etc) and after both Races will be in the respective pit garages, with each car nose pointed towards the pit lane, except for those cars selected for Scrutineering by the Technical Delegate. Selected cars must be pushed to the Scrutineering area (Box 62) by team members.

For the avoidance of doubt, cars that have taken part in the first sessions of Qualifying, will be in parc ferme conditions whilst cars allocated to the second sessions are on track.

Cars allocated to the second Qualifying sessions must remain in their boxes whilst the first Qualifying sessions are taking place.

Cars in the first Qualifying sessions should be outside their boxes, nose out at 45 degrees prior to the sessions.

Whilst under Parc Fermé conditions, no car should be placed on skates.
