Decision N° 12

Date: 15 July 2023
Time: 11:04

The Stewards, having received a Report from the Technical Delegate and have considered the following matter and determine the following:

No. / Driver: 25 / Bastard & Niederhauser
Competitor: Sainteloc Junior Team
Session: Qualifying 1
Fact: The competitor has notified that the engine of car 25 has been replaced.
Offence: Breach of Article 40 of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations.
Decision: **There will be no penalty for the change of engine of car 25 which must start Race 1 at the back of the grid.**

Reason: Car 25 suffered an engine failure immediately before the start of Q1. As this took place before the car left joined the track for Q1, the Stewards permit the change of engine without penalty. The Stewards further note that both drivers set times in Pre-Qualification within 120% of the fastest time during pre-qualifying.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
