

DECISION No: 23

From:	The Stewards	Date:	14 th October 2023
To:	Team WRT	Time:	15:38 hrs

The Stewards, having received a report from the Race Director, having examined video evidence, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 31 / Jean Baptiste Simmenauer

Competitor: Team WRT

Time (fact): 14:27 hrs

Session: Race 1

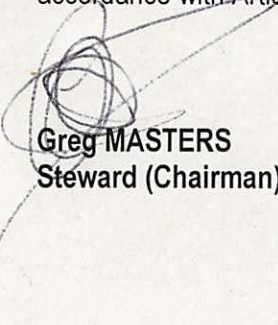

Fact: It was reported that car 31 was released from its pit stop in an unsafe manner

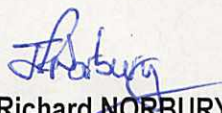

Offence: Alleged breach of Article 34.16 of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations

Decision: **No further action**

Reason: It was reported that car 31 was released from its pit stop in an unsafe manner in front of car 60. Having heard from the competitor's representative and having viewed CCTV and gantry camera footage, the Stewards note that car 31 was given the release signal when car 60 was still at a reasonable distance but the car did not gain momentum as quickly as might have been anticipated. They do not consider this to be an unsafe release and therefore determine that no further action is appropriate in this instance.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
