

Decision #19

Time: 11/10/2024, 15:40:43

STEWARDS' DECISION

From: The Stewards

To: Comtoy Racing

The Stewards, having received a request from the Competitor, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 11 - Razvan UMBRADESCU

Competitor: Comtoy Racing

Time: 12:45

Session: N/A

Fact: Driver UMBRADESCU is unfit to participate in the rest of the event.

Offence: Article 13.2 and 10.1.2 of the Fanatec GT Challenge Europe powered by AWS 2024 Sporting Regulations

Decision: Driver Jakes is authorized to race alone. Car #11 moves to the Pro Category. The minimum pit stop time between pit in and pit out is set at 61.0 (sixty one) seconds.

Reason: As explained by the Team Manager, driver UMBRADESCU was feeling unwell during the Free Practice Session, was taken to the Medical Center afterwards and unfortunately is unfit to participate in the rest of the event. The team tried to find a replacement driver but it was impossible in such a short time.

The Stewards, in consultancy with SRO Sporting Board, consider this to be a case of force majeure and decide to allow driver JAKES to race alone imposing a minimum pit stop time between pit in and pit out of 61.0 (sixty one) seconds.

Additionally, car #11 should be transferred to the Pro Category due to the Gold categorization of driver JAKES.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
