STEWARDS' DECISION

From: The Stewards

To: DINAMIC GT

The Stewards, having received a report from the Technical Delegate, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 18 -

Competitor: DINAMIC GT

Time: 00:05

Session: Qualifying 4

Fact: car #18 did not had enough fuel after Qualifying Session

Offence: Alleged breach of Article 503.12 d) of the GT World Challenge Europe powered by AWS 2025 Sporting Regulations

Decision: No Further Action

Reason: The Technical Delegate (TD) inform the Stewards in his Report n°9 that car #18 did not comply with article 503.12 d) of the Sporting Regulations. Car #18 was checked after having stopped on track during Q4.
The Stewards heard from the Team Representative that alleged the fuel was not taken according to the established procedure, that indicates it must be conducted with an FIA-approved self-sealing connector, fitted immediately before the injectors. After hearing from the TD and re-visiting the car in the garage, the Stewards agree that the procedure was not properly executed, being done in a fuel hose in front of the car instead of the dedicated one on the back. Taking this into consideration, the Stewards therefore determine that there is no guarantee that the regulations were breached and decide to take no further action.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
