## STEWARDS' DECISION

**From:** The Stewards

**To:** Rutronik Racing

The Stewards, having received a report from the Race Director and reviewed video evidences, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

**No. / Driver:** 96 -

**Competitor:** Rutronik Racing

**Time:** 20:00

**Session:**

**Fact:** Car #96 was parked parallel in the working lane

**Offence:** Breach of Article 28.19 e) of the GT World Challenge Europe powered by AWS 2025 Sporting Regulations and the RD Event Notes and Briefing Presentation

**Decision:** Reprimand

**Reason:** car #96 did the setup and tire changing with the car parallel in the working lane. The Team representative admitted the fact as team's mistake. The Stewards agreed that this fact is a clear breach of the regulations and, noting this is a first offence of the season for a similar situation and that no competitive advantage was gained, decide to impose a reprimand in this instance.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
