

STEWARDS' DECISION

From: The Stewards

To: Tresor Attempto Racing

The Stewards, having received a report from the Race Director, summoned and heard from the competitor's representative, have considered the following matter and determine the following:

No. / Driver: 99 -

Competitor: Tresor Attempto Racing

Time: 21:00

Session: Race 1

Fact: A team member of car #99 left a laptop on the top of the car during the starting procedure

Offence: Breach of Article 38.4 of the GT World Challenge Europe powered by AWS 2026 Sporting Regulations Article 12.2.1.h of the FIA International Sporting Code

Decision: 2500€ Fine

Reason: A laptop computer belonging to the Competitor was left on top of Car 99 during the starting procedure. As the car departed the grid for the formation lap, the laptop was dislodged and thrown into the air, creating a dangerous situation on the grid. This failure directly resulted in an unsafe situation, as the laptop was thrown into the air during the formation lap, posing a risk to the car, marshals, and other Competitors in the immediate vicinity of the grid. The Stewards note that no damage resulted from the incident on this occasion, which is treated as a mitigating factor. However, the seriousness of the potential consequences of an object being launched from a car during a live formation lap procedure - including the risk of striking another car, a marshal, or an official - is regarded as an aggravating factor warranting a fine as stated above.

The competitor is reminded that fines must be paid to:
