FANATEC GT WORLD CHALLENGE EUROPE SPA-FRANCORCHAMPS 2022 POWERED BY aws

POSTED at 11 h 30 m

DECISION No: 76

From:	The Stewards	**Date:**	30th July 2022
To:	K-PAX Racing	**Time:**	10:40 hrs

The Stewards, having received a report from the Technical Delegate, having examined technical data, summoned and heard from the competitor's representative and Lamborghini representatives, have considered the following matter and determine the following:

No. / Driver: 6 / Jordan Pepper – Andrea Calderelli – Marco Mapelli

Competitor: K-PAX Racing

Session: Superpole

Fact: The engine parameters of car 6 are not in line with the Balance of Performance test and the air filters used by car 6 are not in line with the ones used by Lamborghini during the Balance of Performance test

Offence: Breach of Article 30.1 of the Fanatec GT Challenge Europe powered by AWS Sporting Regulations

Decision: **(i) Cancellation of all lap times set during the Superpole session**
(ii) Drop of 10 grid positions for the Race at this competition
(iii) Fine of €25,000 (Twenty Five Thousand Euros)

Reason: The Technical Delegate reports that the engine parameters of car 6 (airbox pressure and calculated torque taken from the competitor's own ECU channel) are not in line with the BOP test collected figures. It is also reported that the air filters used by car 6 are not in line with the ones used during the BOP test. Having heard from the competitor's representative and representatives from Lamborghini, the Stewards accept that the competitor is in compliance with the Lamborghini operating manual. However, having studied data analysis and photographic evidence, the Stewards determine that this is a breach of the above regulation and accordingly they impose the above penalties.

Competitors are reminded that they have the right to appeal certain decisions of the Stewards, in accordance with Article 15 of the FIA International Sporting Code, within the applicable time limits.
