**FANATEC ESPORTS ARENA**

**Fanatec Esports GT Pro Series & SRO Esports Sim Pro Series (60-minute virtual race)**

The Fanatec Esports Arena stages the Fanatec Esports GT Pro Series. One driver from each Pro, Gold Cup and Silver Cup crew competes in a 60-minute Assetto Corsa Competizione contest. Points are scored on a 5-4-3-2-1 basis and count towards the real-world teams' championships.

That's not all. Monza sees the debut of the SRO Esports Sim Pro Series, a new-for-2023 invitational championship for Europe's top sim racers. They will also stage a 60-minute Assetto Corsa Competizione race at the Fanatec Esports Arena, with one spot on the grid reserved for an on-site qualifier.
